At ALMA Light we welcome the new year with the update of our 2026 catalog, which also introduces a new corporate color. It is an elegant, warm and soft grey, a tone that conveys calm and serenity. The chosen color aligns with the 2026 design trends such as Quiet Luxury, Warm Minimalism and Slow Design, values that reflect our way of understanding contemporary design: serene, mindful and long lasting.

Meet ALMA Light 2026

In this first update, the FOLD, NONET and SOFT collections have been discontinued.

Our design department is currently working on new collections that will be released in future updates. We invite you to follow our Newsletter and Social Media channels to stay informed about all the actions we have prepared for this new year.

The 2026 catalog can be downloaded through the link at the bottom of this email. Likewise, the new price list can be requested by clicking on the corresponding link.

Thank you for joining us for another year!
