We know that every interior design or architectural project has its own soul — and that light is always a key element. That's why at ALMA Light we design light fixtures that not only illuminate, but also bring character, beauty, and functionality to the spaces that matter.

If you're a design professional, here's how we can support you:

What do we offer?

- Over 20 unique collections with personality, designed for residential, contract, and hospitality spaces.
- Personalized technical advice: we support you through every phase of your project.
- Customization: finishes, dimensions, light sources, and fixtures tailored to your needs.
- 'Made in Barcelona' manufacturing with guaranteed quality.
- Close and direct service from first contact to final installation.
