LED POLE is a floor lamp defined by simple, pure lines that quietly fills a space with presence, bathing the environment in an enveloping and elegant light. LED POLE dresses any setting with a clean, contemporary aesthetic.

LED POLE is a floor lamp defined by simple, pure lines that quietly fills a space with presence, bathing the environment in an enveloping and elegant light. LED POLE dresses any setting with a clean, contemporary aesthetic.

LED POLE is made of aluminum, with a sandblasted methacrylate diffuser. It is available in white or black painted finishes, with the option of custom colors. A piece that fits just as naturally into a character-filled interior design project as it does into a refined home or a serene, sophisticated space.
