At ALMA Light we love projects where one of our light fixtures is present. We usually highlight all these new projects on our website, of course including the corresponding credits.

This particular interior design includes our 12-arm ThePalm chandelier in a white finish, in the dining area in a residential project in Riga, Latvia. The authorship of this project corresponds to Ms. Lauma Liepniece from the company STUDIO REALM (Latvia), and the images are also courtesy of [www.studiorealm.net](http://www.studiorealm.net).
