**Projects that we love...  
BIG BROTHER in Dubai**

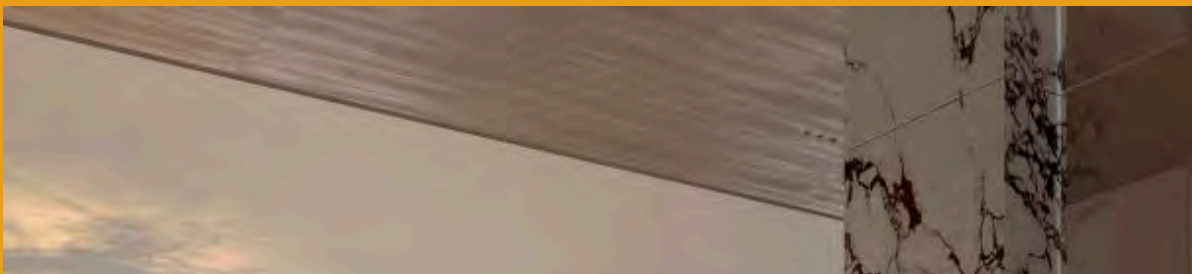

On this occasion we present a lighting project where our BIG BROTHER floor lamp takes center stage in the main living room in a luxurious 356 m2 private residence in Dubai (United Arab Emirates).

**The truth is... we love how it looks!**

Our six feet tall BIG BROTHER lights up his entire length, from head to toe. Its large format is impressive, attracting all eyes and becoming the focal point of any decoration.

We thank LIVING CREATIONS INTERIOR DESIGN for counting on ALMALight. The images are courtesy of the NK INTERIOR group (Dubai-Montreal-Kyiv).
