Barcelona

Start of a new course at ALMA Light

[Ver versión online](#)

At ALMA Light we have everything ready for 2025 to be a great year, in which the light fixtures in our 2024/25 catalog will embark on the adventure of illuminating all kinds of rooms, cosy homes, chic hotels, avant-garde shops, elegant restaurants, vibrant terraces and chill-out spaces... both in Spain and around the world.

Download the 'ALMALight Catalog' from the link at the bottom of this Newsletter. For any additional information, do not hesitate to contact us by replying to this email.

More information

The 'Projects' tab on our website www.almalight.com gives a small clue as to how ALMA Light lamps, with their Mediterranean, artisan spirit, well-crafted, cared for, elegant and original models, know no frontiers.
